

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**HB 836 – SB 1304**

February 13, 2019

**SUMMARY OF BILL:** Prohibits, to the extent allowed by federal law, a private licensed child-placing agency from being required to perform, assist, consent to, refer, or participate in any child placement for foster care or adoption that would violate the agency's written religious or moral convictions. Establishes that the agency's objection to provide such services does not form the basis of a civil action for either damages or injunctive relief.

Prohibits adverse actions by the Department of Children's Services (DCS) or an agency of state or local government against a private child-placing agency for declining to provide services that violate the agency's written religious or moral convictions.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Prohibiting a privately licensed child-placing agency from being required to provide services that would violate the agency's written religious or moral convictions will have no significant impact on state or local government.
- Any change in caseloads of the courts is not anticipated to be significant.
- Passage of this legislation will have no effect on policies or procedures of the Department of Children's Services; therefore, any fiscal impact to DCS is not significant.
